## SCORING IN TALENT

The Talent phase of competition provides an insight into the contestant's preparatory and performance skills. Consideration is given to whether the contestant's talent selection fits these skills and her personality. The Talent competition acknowledges the quality of the talent being presented, the technical skill level, and the stage presence of the contestant.

Each contestant is competing against herself and **MUST** receive a score in a **1 to 10** point range, using whole numbers only. More than one contestant may receive the same score.

**Scoring Guide:** Below Average = “1 - 3”; Average = “4 - 6”; Above Average = “7 - 9”; Perfect = “10”.

## CRITERIA FOR SCORING TALENT

Consider: overall “first impression”; technical skill level; entertainment value; interpretive ability; stage presence and on-stage personality; and total of all elements (music, costume, props, voice, choreography). Will you be proud you selected this young woman when she performs her talent if she is selected as the titleholder? Did you enjoy the presentation?

If you make a change or erasure on your score sheet, please initial it. When you have finished, hand your score sheet to the Judges' Chair.
