

CHILDREN'S MIRACLE NETWORK HOSPITALS

Since 2008, Children's Miracle Network Hospitals has been the official National Platform of the Miss America's Outstanding Teen Program.

Miss America's Outstanding Teen, Inc. has chosen Children's Miracle Network Hospitals (CMNH) as the official national platform to further reinforce the efforts that have been so successful on the national level for The Miss America Organization.

CMNH is a non-profit organization that raises funds for more than 170 children's hospitals. Donations stay local and create miracles by funding medical care, research, and education that save and improve the lives of 17 million children each year.

Each year, Miss America's Outstanding Teen, in addition to bringing awareness to her personal platform, is the Teen Ambassador for the Children's Miracle Network Hospitals as she raises funds and awareness for both CMNH and the MAOTeen Organization.

A website similar to the Miss America/CMNH website has been established for the teens and assists with tracking funds raised on behalf of teen candidates' fundraising efforts. The web address is www.maoteen4kids.org.

All Outstanding Teen Candidates MUST sign-up at the above website and register for each Local Competition in which they participate.

The Miss Kentucky Organization encourages each candidate to set a minimum goal to raise \$100 for each Local Competition in which they participate (voluntary). Each young lady participating in the State Competition is required raise \$250 for CMNH. Miss Kentucky's Outstanding Teen is required to raise \$500 for the National Competition to benefit the Miss America's Outstanding Teen Scholarship Fund and Children's Miracle Network Hospitals.
